The MASON LINE

by Chan Mason

We received a letter from Assemblyman Ed Bolen this week in which he states that it was probably the things he left unsaid rather than the things he did say in his talk to the Kiwanis Club two weeks ago, that caused all the confusion in regard to what the state gets from the pari-mutual betting. The state gets 5% cents from each dollar bet at the tracks, 2% cents of this goes to support State Fairs, of the remaining three cents State Universities and Colleges get 34.3%, the General Fund 13.1%, Wild Life Restoration 5%, Poultry Improvement 1% and Racing Administration gets 7%.

We are glad to pass on the added information Ed, and would like to add that as long as we have anything to do with this little column, we will welcome any information on existing or pending information. "An informed citizenry is the best safeguard of Liberty."

By the way Ed, what ever happened to Jim Utt? Lost in the smog bound wilderness of Santa Anna, no doubt.

We still think that 5 1/2% is too small a bite for the state to take out of the bettor's dollar. Did you ever figure the tax percentage we pay on a gallon of gas? We suppose that State Fairs have their place in the life of a community, but frankly we think they have strayed considerably afield from the days of the home

BULLETIN!

Bids were asked today for a new postoffice for Lemon Grove by Frenchie Faucher, local postmaster.

Requirements are 4,000 square feet in a central location on a 5-10 year lease.

Bids must be in by December 26. Bid forms are available at the local postoffice.

'Serafina' Draws \$400 — Funds Turned Over To CP

Nearly \$400 was realized by the Lemon Grove Kiwanis Club for the San Diego County Cerebral Palsy Foundation with the promotion of an operetta, "Serafina," given at Grossmont High School last month.

The \$400 was by far the largest amount developed for C. P. by any San Diego County organization to date. Actual contributions from members amounted to \$140, \$50 of which was contributed by Kenny Hall. All other members accounted for \$90. The Foothills Hi-Y boys sold \$10 worth of tickets. The balance came from other contributors, interested in C. P. and from sale of Serafina tickets at the box office.

Only expense of the entire production was the cost of costumes.

Xmas Money Goes To Xmas Savers

Funds totaling \$47,429 are being mailed out to Lemon Grove Christmas club members from the First National Bank.

Bruce Harms, assistant manager, and Jack Koop, manager of the First National Bank here, look pleased at some of the funds which will go to 450 Grove residents to later find its way into the tills of local business houses.

Not all of the money will go for Christmas shopping, however, as some of it will probably be used to pay property taxes due December 10th.

Memberships for the 1954 Christmas club are now open at all First National Banks.

Fires & Mishaps Mar Grove Peace & Quiet

It was like Friday the 13th every day early this week for the Lemon Grove Fire Department. A flurry of fires and mishaps broke the otherwise quiet and orderly life of the firemen.

A brush fire atop Windsor Hill had the department's equipment slithering across the muddy hilltop late Monday. The fire caused no damage.

Just prior to that the department was called to pull Ray Simmons from the bottom of a 10 foot cesspool hole in the 7100 block on Mt. Vernon. Simmons, aged 45, fell into the cesspool as it was being completed. Fireman Fred Dixon inched his way down the 30 inch hole and wrapped a sling about Simmons. Busby's Service supplied a winch to extricate the man. Simmons was taken to Hillside Hospital for treatment of a broken right leg and shock.

Fire broke out Monday evening about 10 o'clock at Wighton's after a sign transformer shorted out. Firemen were forced to chop their way thru the roof to reach the blaze and had it under control in a matter of minutes. Prompt and efficient action by Chief Hensley and his boys kept the damage to the \$35,000 stock negligible. Damage to the building was about \$1,200.

Evelyn Wighton, store owner, complimented the department for the way they handled the call.

She said a small part of the stock was damaged by smoke but this merchandise is being taken over by the insurers. The store was closed only part of one day.

Tuesday morning firemen doused a barrack's type residence in the 7400 block on Daytona. Overloading of electric wiring was believed to be the cause of the flames. Rafter and studs are believed to be so severely damaged that the location is no longer habitable.

No one was injured in the three fires.

Free Delivery For Xmas Shoppers

Many residents of Spring Valley and College area are receiving the REVIEW for the first time this week.

This added circulation is being added to aid local business firms in publicizing the fact that their shop will remain open evenings 'til Xmas beginning Friday, December 11th.

There will be only 11 shopping days and nights 'til Xmas when the "open nights" start. There are only 29 shopping days 'til Christmas now!

New Market Opens

Lemon Grove's newest ranch type market is geared up for its gala opening, Monday, Tuesday and Wednesday. It was announced today by Owen Sharp and Mel Hammerstein, owner-manager of the enlarged and re-furnished market at Broadway and Massachusetts.

Among the myriad prizes to be distributed during the opening event are 25 baskets loaded with food, 10 turkeys, \$50 in groceries, free balloons and ice cream, free samples, prizes for the kids and free merchandise of all types.

Joining Hammerstein and Sharp in the operation of the market is Bob Mincks, well known in the South Bay area. He will operate the meat market. N. E. Trochman, well known in grocery circles will operate the grocery department. In all, including the clerks, almost 200 years of experience will be available in the store.

The long 4,000 square foot building makes shopping comparatively simple with its long well laden aisles. In addition to the shopping ease inside, parking areas both in front and back of the market will add to the convenience of shoppers.

A naming contest for the market ends Tuesday midnight and a prize of \$50 in groceries will be given to the individual whose nomination is selected. During the opening days 25 grocery laden baskets will be distributed as well as 10 turkeys. Free merchandise supplied by many of the wholesalers and manufacturers, free samples, free ice cream and free balloons will be among the attractions during the opening days. Prizes for all the kids will be distributed on a day-by-day basis. The winner of the contest will be named sometime Wednesday.

The new market culminates a steady growth that started on the corner when Mel Hammerstein opened two years ago. The new building will be almost five times the size of the original structure. Formerly the market was operated by Sharp and Hammerstein alone. The present personnel of the new market is twelve.

A special feature of the market will be its window pricing. Large advertising signs will be put in the Broadway windows listing day-by-day specials. These prices, say the partners, will be the lowest prices in the Foothills area.

Deadline for the naming contest is Tuesday midnight.

Red Feather Tops 100% As G. Aids

Arthur Thomas, Lemon Grove United Success Drive chairman, zone captain, workers, and the people of Lemon Grove were commended by Bob Harness, Heartland area chairman for putting the Heartland Area to 100.3% of the \$18,200 goal late Monday (Nov. 16).

Harness reported \$4,356 was contributed by Lemon Grove residents in the most successful Community Chest drive to date. The many local organization heading zones deserve much of the credit, he stated. Bill Poirier, County YMCA Secretary served as staff aide.

New C of C Directors Are Nominated

Ballots will go out to all Chamber of Commerce members for December election at which time four new board members will be named to serve for a three year period, beginning January 1.

About ten persons will make up the 1954 slate from which the four members will be chosen. The election will probably be held December 1 at the board's regular meeting.

Members of the nominating committee are: James Pearce, chairman; Jack Koop, Roy Lane, Ken Rister and Jack Sanders.

Retiring members are Forrest Baxter and Dr. Don Johnson, who were elected three years ago and John Dail and Bob Browne who were named during the year to fill vacancies of members whose terms expired at the end of this year.

SECTY OF COMMERCE WEEKS, in S. F. address—"The waste I find as a businessman going into government is almost beyond description."

Low Cost Plan May Solve Sewer Problem

By Max Goodwin

We think we have the sewer solution for the good folk of Spring Valley which will, incidentally, solve the sewer problem of East Lemon Grove.

This solution stems from an impartial study made by the REVIEW. One which completely ignores all the persons identified with the former sewer plan on which the bond issue failed.

We went to engineers, to lawyers, to bankers and to contractors. Each of them said the plan was feasible and workable. So here's the plan.

A sewer trunk will be laid from Campo and Bancroft, approximately 24,000 feet deep into Sweetwater Valley. Contractors say approximately \$12 per foot will cover the cost of this trunk. La Mesa, with a population of 12,000 has a 15" trunk which becomes larger as it gets into San Diego. Lemon Grove has a 12" trunk. National City has an 18" trunk. Average cost of trunks is \$12 for 2-10 foot cut. The cost for the trunk alone will be \$288,000 and with appurtenances the cost will be altogether about \$300,000 and this cost will be covered by general obligation bonds. With a paper and pencil you will find that by dividing the 2,300 homes in Spring Valley Sanitation District into the \$300,000 cost the obligation will be a little less than \$125 per home.

Now this trunk line will feed into a sewage disposal system. The system will consist of a primary settling basin, a digester, a lagoon and a chlorinator and the final effluent would be equal to drinking water standards. This plant will be much smaller than the one originally planned by county engineers and is designed for approximately 1,750 families and will cost about \$175,000. Dividing the 1,750 homes responsible for this cost into the total the obligation would be \$100.00. Engineers and contractors say that such a plant is feasible because not all of the homes in the area will hook up to it at once, as a matter of fact it will be several years before they all do. Therefore the smaller sized plant, with plans for adding to as demand grows, is not only feasible, say the engineers, but they recommend it.

Engineers also say that this TYPE of plant could be added to and they agree that this type of plant is the cheapest way out. The city manager of San Diego told the REVIEW this week that additional sewerage from outside the corporate limits or from areas not already incorporated will not be added to the present system, which rules out a Lemon Grove hook-up.

We have now planned a trunk line and a disposal system which will be covered by general obligation bonds. A standard hook-up rate of \$100 per residence will be charged to those using the sewers and this money would be used to amortize that part of the general obligation bonds which were used to build the disposal plant. Hook-up fee, which will probably cover all of the cost of the disposal system, will be used to pay off that much of the bonded indebtedness, probably \$150,000 to \$200,000 worth. This would serve to reduce the indebtedness of the property owners who do not hook-up or use the sewers, making it more equitable in that respect.

So far each family in the sanitation district is obligated to the tune of \$125 for the trunk and if they use the sewer they will be charged an additional \$100 for hook-up. That makes a total of \$225 for sewer users to this point.

With a basic sewage system installed let's take a look at the individual user. Let's assume that you have one of these homes that intends to hook-up. You will have an average of 40 feet distance from your hook-up line to the edge of your property. Contractors say that \$5 per foot will cover the cost of this line. That's \$200 more or a total of \$425 at this point. The average lot is 75 feet wide and a main will have to be run down the street in front of your house. But your neighbor across the street will also have to pay part of the main cost. Contractors say that this main will cost \$6 per foot. For 75 feet the cost will be \$450, since each side of the street will share the cost, the average home owner will pay \$225 and let's throw in \$25 for unforeseen expenses and add \$250 to our total. That brings the cost up to \$675 for the average home owner. That is not quite all the cost involved because an approximate \$100 tap-in fee to bring the line from the edge of your property to the main must be made. This fee brings the total to \$775.

Here's What You Pay

		Average Cost Per Family
Trunk	\$300,000 (Bonds)	\$125.00
Treatment Plant	175,000 (Bonds-paid via hook-up)	100.00
		Total \$225.00
Mains	Av. S.D. Construction cost 1911 Act	250.00
		Total \$475.00
Laterals	FHA	\$200
Tap-in Fee	FHA	100
		sub. total 300.00
		Total \$775.00

Here's How You Pay It

FHA	\$300	(36 Mo.) incl. int. \$9.60 mo. 3 yrs.
1911 Act	250	Mains incl. int. 2.50 mo for 10 yrs.
Genl. Obligation Bonds	125	Trunk incl. int. .76 mo. for 20 yrs.

\$12.86 mo. first 3 yrs.

3.26 mo. next 7 yrs.

.76 mo. last 10 yrs.

For people living on, or near the trunk line that will be the total cost. But there are other areas to be considered also. There's Casa d'Oro, Mt. Helix, American Homes and East Lemon Grove. These areas, within a 5,000 foot radius of the trunk cannot be served at this cost. They will be subdivided into separate districts, which could very readily be done. A smaller trunk could be installed for about \$10 per foot which would feed into the main trunk. This part of the project, engineers assure us, will come under the 1911 Act and could be paid off in a period of ten years. This will cost families in the smaller subdivisions of the sanitation district an additional \$75 to \$100 each.

Of course there is the question as to who would pay the operating cost of the disposal system, but already inquiries have been made to San Diego authorities for information that might lead to the development of a sewerage reclamation plant in this general area. If such a business were established the entire Sweetwater Valley could become an important alfalfa raising area with the by-product of the sewer plant used to give the project impetus.

No cash, other than the \$100 hook-up fee, would be needed to finance this project. Cost of installing laterals and the tap-in fee could be covered by an FHA Title I loan and is payable in 36 months. This obligation does not constitute a lien against the house. Mains would be covered by 1911 Act and trunks and plant come under general obligation bonds.

No one will deny that property in Spring Valley, even without hooking up to the system, would be worth at least \$1,000 more

Lions Set New Years Dance At Michaels

First New Year's Eve party the Lemon Grove area has announced by the Lions Club. Party will be a dance and dinner for \$5 per plate which includes steak dinner, champagne, souvenirs, noise makers and other expenses.

The dance will be held at Michaels' newest dining room the Acapulco, which is scheduled to be open and running in about that time.

Reservations can be made through any Lion member. Taffy is under the direction of Dr. Don Johnson, Roy Davis and Bob Von Wiler.

Reservations can also be made through Lion member Henry Goldy, operator of Michaels'.

Teachers Attend P. R. Meeting

Attending the special public relations meeting in Los Angeles last Friday evening were P. Darroch, Laura Becker, and Kell Dolan, all teachers at the Lemon Grove Junior High School. They also attended the all-day meeting of the California Teachers Association, Southern Section, council on Saturday. Others who came to the Saturday meeting from Lemon Grove include Louis Poluzzi and Cedric Stanmerjohn of the elementary schools.

Grove Woman's Club Meets Tues.

Lemon Grove Woman's Club Juniors will meet at the Woman's Clubhouse Tuesday evening, November 24th at 8:00 p. m. for their regular business meeting. Business will include the election of two delegates to Southern District Annual Fall Conference.

Grove Girl May Ride In Toyland Parade As Local Queen

Some lucky local miss is going to represent Lemon Grove in the North Park Toyland Parade when the mile long entourage troops down University Avenue Sunday afternoon, December 6th.

The winner will be chosen from a letter sent to the Review by any resident telling why they have chosen the particular girl to be the Lemon Grove queen.

Letters are to contain 25 words or less and must be in the hands of the editor of the REVIEW by Monday, November 30th.

Winner will ride down the parade in a dignitary's car during which time she'll be photographed by newsreel camera and televised over local stations. She'll ride in a decorated convertible in which several local educators will also ride.

Anyone may write the letter nominating the "queen," even the girl's parents. Contestant should be between 15 and 25 years of age and should be a product of one of the local schools. Winners will be announced in the REVIEW on December 4th.

Jrs. Rummage Sale Starts

Lemon Grove Woman's Club Juniors Rummage Sale is set for Friday and Saturday mornings of this week at 3482 Main St. in the building opposite the Grove Theatre.

Contributions from local merchants, club members and friends have made this one of the largest rummages the club has ever had, according to Mrs. Richard Hainman, rummage chairman.

The Friday staff will be made up of committee members Mmes. Harold Hatton, Robert Bailliff, James Mitchell, Leon Meyer, Charles Calkins, Richard Mann, Robert White, P. L. Burch. On Saturday under the chairmanship of Mrs. Paul Shippis will be the staff composed of Mmes. Lee Nottingham, Ralph Tenison, Robert Gobeille, Lawrence Szani, Billy Castle and Inez Belows.

Everyone interested in this type of merchandise is cordially invited to attend.

and property already hooked up would certainly assume an increase in value of at least \$1,000 plus the cost of the hook-up. That's what happened when Lemon Grove put sewers in.

This plan does not demand anyone in the district or any of the surrounding small communities to join up. The plan is equitable in that everyone hooking up must pay the fee but no one gets a free ride and on the other hand no one is paying for another's increased valuation.

The REVIEW does not propose to put this plan into effect. Rather it asks all factions, both proponents and opponents of previous sewer plans in Spring Valley, each to name two impartial representatives to form a committee of four to investigate these facts and, upon finding them within the realm of possibility, to aid in implementing the plan.

Both factions admit the need for sewers. Both factions say they are merely waiting for a workable, equitable plan and both factions have indicated they would explore the possibilities of any plan that seemed to have these elements.

To further explain the operation of the plan, hook-up money, over and above the cost of the plant at \$100 per hook-up, could be used to increase the size of the plant as the area grows.

If the Master Plan is ready in a few years, and if there are 5,000 homes in Spring Valley by then, the receiving plant could be abolished. Total families divided into the cost of the plant would show the average per family for the use of the plant during that period of time. Our guess is that it would be about \$50.00.

The trunk, would then be usable in the Master Plan Development which is the ultimate goal of all Sanitation Systems in the southern part of the county.

DR. POSEY TO SPEAK

Dr. S. G. Posey, Executive Secretary Treasurer of the Southern Baptist General Convention of California will be the guest speaker at the dedication of the First Baptist Church, Lemon Grove, Thanksgiving, Thursday, November 26. Services will begin at 10:00 a.m. A Turkey dinner will be served at noon.

D.A. Meet tracts Visitors

Members of Court Teresa of America, Catholic Daughters of America, were pleased to have visitors at their November meeting. Miss Lillian Kennedy, District Deputy CDA, from Chula Vista, very efficiently answered questions presented by members coming to Catholic Daughters of America. Lt. James Moore, Vice President of the San Diego County Cerebral Palsy Foundation presented films to Court. The films showed the treatment and accomplishments of Cerebral Palsy victims. After films Lt. Moore further explained and answered many questions regarding C. P.

During the business meeting, Mary Ellen Young, Social Chairman, announced plans for Christmas Party to be held at the regular business meeting on Dec. 1st. Mrs. Dorothy Miller, Ways and Means Chairman, reminded members of the Sale to be held Sunday evening, Dec. 6th, at St. John of the Cross Auditorium.

"My husband says that San Diego County is the best place in the world to live outside of the Jamacia Islands and I say that Davis Food Center is the best place in San Diego County to shop."

Peggy Roy, above, and her husband, Maurice, are world travelers and they should know whereof they speak. They presently live at 1621 Colfax Dr. and have lived there almost a year but they came here from Cincinnati, Ohio. Maurice, a carpenter, was with the Navy for many years but has been a carpenter in most of central United States and in South America, too.

Said Peggy, "Everything at Davis is so neat and clean and everything is arranged in such good order that is no problem at all to do the weekly shopping."

"Quality is food and their products are nationally advertised, prices are lower than anywhere else we shop, that makes it the best place to shop for my money," she said.

In addition to the grocery items the Roys expressed amazement at the large parking area surrounding the Davis Market. Davis is open daily including Sunday. —ADV.

Women Voters Schedule Two November Meetings

No City Sales Tax For Grove Shoppers

LETTERS TO THE EDITOR

Dear Sir:

Recently, in a local newspaper, supervisor of our district, Mr. Bird, expressed his disappointment that the Mountain Valley Taxpayers Association had to develop a plan for a sewage system in the Spring Valley Sanitation District and stated they did not intend to do so. Mr. Bird, who is kidding, is it? It is you who have misled your district and we are more than disappointed with you.

Only hope that the voters read between the lines. Any plan we would present to the Board of Supervisors, regardless of how good it might be, would be workable or acceptable to the Board.

The answer is simple. The Board of Supervisors, County Engineers and all those connected with Plan 1 hope to bring in 2 into being.

To the Voters: Plan 2 was drawn up at the same time as Plan 1, just in case they need an ace in the hole.

Plan 2 is the same old plan with the fringes cut off. The open sewage pond, health nuisance, nuisance and law suits are still included in Plan 2.

The Mountain Valley Taxpayers said they would assume leadership for a honest, practical sewer system.

We are laymen. We do not have the authority, ability or responsibility to develop a plan. We should have to. We have representatives in our local government who are capable of producing a workable and worthy plan.

The solution of our problem is with you and the Board of Supervisors. Our responsibility is to watch and be sure that the plan you bring forward serves the best interest of all. Plan 1 and 2 only serve special interests, to the harm of the home owner.

The Federated Sanitation Committee, our opponents, had leadership in plan 1, yet they were not engineers and you did not ask or expect the F. S. C. to come up with the plan. You could not expect us to. Taxpayers expect help from the Board of Supervisors and engineers. If your engineers cannot bring into being a better plan than Plan 1 and 2, then it is up to the Supervisors to bring in Engineers who can do the job. There are more ways than one to a sewage system. Neither M.V.T.A. nor I, Mr. Bird, but you and the rest of the Supervisors have this authority, ability and responsibility.

I wish to state that I am NOT representing the M. V. T. A. I am a mother, housewife, homemaker and taxpayer who wants answers in the right way, one which will serve the people who pay for it, not one detrimental to any established locality or reasonable in cost.

Mrs. W. R. Smith,

Helix Teacher Has Article Published

Robert Rue, Helix High School teacher, has been recognized by the Instrumentalist by having an article published in the November issue of "Place of Dance and in High School Music." Rue is the director of vocal music at Helix High School and minister of music in the First Baptist Church of La Mesa.

Homemaking Course for Junior Hi School

For the first time in its sixty years of existence, the Lemon Grove School District is offering an adequate course in homemaking to girls in the seventh and eighth grades at the junior high school. Three weeks ago the new homemaking room was completed, and at present students in the seventh grade are enjoying a semester of training in sewing, choosing materials, selecting clothes, grooming, cooking, purchasing, table setting, etc. In other words, the course is designed to include those practical experiences in all phases of work and planning found in the home. Miss Mary Ann Armstrong is the new teacher in the home economics department.

The homemaking room includes ranges, sinks, refrigerator, and sewing machines, as well as an automatic washer and dryer. Many of these appliances were purchased at a price well below the retail cost and will be replaced free of charge any time these companies introduce new models during the next five years.

When the classroom first opened, enthusiasm ran high. One girl remarked, "This is the first time I ever wanted to wash

run of the operetta and this
amounted to \$138.
Reported Com. John K. Wil-
liams, USN, president of the
Cerebral Palsy Foundation.
In sponsoring the operetta "Sera-
fina" as a benefit for the Cere-
bral Palsy Foundation of San
Diego County, the Lemon Grove
Kiwanis have brought us a big
step closer to our goal — a resi-
dent center for the severely physi-
cally handicapped.

"Members of the Foundation
expressed their sincerest ap-
preciation to those who made the
benefit possible," signed Com.
John K. Williams, president of
C. P.

From the vice-president of the
Foundation comes this message:
"Public recognition value is very
important and will inspire others
to take up the cause of the Cere-
bral Palsied," signed James
Moore, vp of C.P. Foundation.

While the total amount was
very small for the effort that
went into the project all persons
connected with the Palsy Foun-
dation expressed extreme gratifi-
cation that anything at all had
been done. They pointed to the
extreme needs of the handi-
capped, especially the children,
and a few dollars means so
much where so little has been
available.

Slowness of the returns coming
in has prevented an earlier re-
port of the operetta. The funds

San Miguel
Schools News

Through the efforts of the stu-
dent council at the San Miguel
School in Lemon Grove, the boys
and girls of the student body
enjoyed an assembly on Thurs-
day. With conservation as the
theme, Clarence Allen, guest
speaker, talked to the students
on conservation of natural re-
sources. He showed several films
showing the value of wildlife.

There is a new student enrolled
at the school this week. Janice
Eckler, a second grader, comes
here from the Vista La Mesa
School. Transfers from the dis-
trict include Sally Robin Orr,
whose family moved to Lake-
side, and Constance Albert of the
third grade whose family moved
back to San Diego City.

O. E. C. 570 To
Meet This Week

San Miguel Chapter 579, Order
of Eastern Star, will meet Satur-
day, November 28, at 8 p. m. in
Friendship Hall.

Farewell night and regular
meeting will be held November
25 at 8 p. m.

Officers to be installed at the
Saturday meeting are: Worthy
Matron, Louise Bennett; Worthy
Patron, Sidney Morse; Asst. Ma-
tron, Anna Vogel; Assist. Patron,
John Vogel; Conductress, Anna
Mitchell; Assist. Conductress,

Special Matinee
For Grove Kids

A special kiddies matinee will
be held Friday after Thanksgiving
at the Grove Theatre. All
cartoons will be shown. On
Thanksgiving Day the theatre
will present "Stag 17" and the
"Sea Around Us." "Peter Pan"
will be shown for four days be-
ginning this Sunday.
After the gifts were opened,
games were played and cake and
coffee served. Those attending
were: Mrs. Ina Leonides, Gladys
Gillenberg, Helen Lee, Carol
Dale and Doris Sala.

Grove PTA Has Open House For Education Week

In observance of American Edu-
cation Week, the Lemon Grove
School P.T.A. meeting was
moved ahead one week in order
to permit patrons to hold Open
House. Last Tuesday evening,
November 10, a short business
meeting was held at the Golden
Avenue School kindergarten
room. Mrs. LeRoy Birch, mem-
bership chairman, announced re-
sults of the membership cam-
paign last month, and awards
were made to the winning 8.3,
7.6, and 6.3 classes. Ben Seller's
8.1 class won the room count
award.

After the meeting, parents and
other school patrons adjourned to
the new junior high school on
Lincoln Avenue. There they fol-
lowed the regular schedule of
classes of the students, with each
class lasting ten minutes. Dur-
ing this time the teachers ex-
plained to them the type of work
being done and outlined briefly
that which would be accom-
plished during the remainder of
the school year.

At 9:15 refreshments were
served to the visitors from the
new home economics room by
room representatives of the 8-1
and 8-2 classes with Mrs. J. W.
Carlisle, chairman.

Although there is no regular
meeting of the association sched-
uled for December, the members
will support the annual Christ-
mas Concert presented by the
Music Department at Monterey
Heights School on December 16
and 17.

The next meeting of the execu-
tive board will be held on Tues-
day evening, December 8, at the
home of the president, Mrs. John
Dail.

The La Mesa United Presby-
terian Church announces Charter
Night for their new Cub Scout
Pack. All parents and friends
are invited to attend the presen-
tation at 7:30 in the Social Hall;
this Friday, Nov. 20.

Thanksgiving Day will be ob-
served on Nov. 26 with a special
service in the sanctuary at 7 a. m.
All members and friends of the
church are cordially invited to
participate in this early morn-
ing service.

Vesper Services Wednesday At VLM

Vesper services will be held
at Vista La Mesa Christian
Church Wednesday, at 7:30.
Special music will be given by
Kay Jones, Mr. Hendee, and Mr.
Wellington. Devotional thoughts
will be expressed by the minis-
ter, Donald C. Jones. Everyone
is invited.

ally handicapped child.

Trinity Men To Hold Dinner

The Men's Council of Trinity
Presbyterian Church will serve
a dinner this Thursday evening 2
at 6:30, followed by a film de-
picting the "Life of Peter Vance."
The men of the church will
make the Every Member call on
Sunday afternoon, Nov. 29, to
procure pledges for the church
for the ensuing year.

WOMAN'S CLUB NOTES

By MRS. FRED SCHENEMAN
At last week's meeting of the
Lemon Grove Woman's Club
Mrs. H. J. Warner, Ways and
Means Chairman, displayed a
clever poster on which the word
Friday was set forth in huge let-
ters to remind members of the
day the "share a dish" supper
and card party will be held. The
clubhouse will be open Friday at
one o'clock and dishes will be
accepted at any time thereafter.

Holly berries, baskets over-
flowing with fruits and pump-
kin colored candles decorated the
clubhouse, while the stage was
transformed into an Indian tee-
pee in which Mickey Gist and
Gene Eskridge led members of
the Spring Valley Woman's Club
in Indian Songs and dances to
the melodies of "Red Wing" and
"Indian Love Call" at the party
feting Junior members.

Mrs. David Hentigan, presi-
dent, addressed the group seated
at tables of four during the
short meeting preceding the tea.
Expressing her pleasure at see-
ing so many Junior members
present and called on each for
an introduction.

Mrs. H. Irvin Vernier, whose
absence at the last three meet-
ings was occasioned by her at-
tendance at Civic Center as a
representative of the Lemon
Grove Planning Committee, ur-
ged officers to attend the next
meeting at 12 o'clock at Civic
Center, December 8th. Concluding
with hearty praise for the Heart-
land Players group, it was not-
ed that the Senior Division was
sponsoring them.

Mrs. R. B. Hayhurst, of the Civ-
il Defense Committee, gave a
comprehensive report in which
she named as the prime requis-
ite for a successful committee an
enthusiastic, well informed
chairman. In closing she an-
nounced the all-out alert which
will be November 28th in the
Lemon Grove area.

Mrs. Randolph Morse, Red
Cross chairman, read a "Thank
you" letter for contributions, af-
ter which Mrs. Hentigan request-
ed a "coat hanger" shower be
given at the next meeting for
donations to the Red Cross Chap-
ter.

Mrs. Hentigan thanked the Co-
mmunity Chest workers who col-
lected \$150 for this cause, be-
fore introducing Mrs. David
Frazier, organizer of the Junior
Divisions of Women's Clubs.

Members of the Spring Valley
Woman's Club remained for tea.

Regular Dates For Well Baby Conference

The second Monday of each
month is the date set for the
meeting of the Well Baby Con-
ference, sponsored by P.T.A.
units throughout the Lemon
Grove District. The conference is
held at the Youth Center on
School Lane from 8:00 a. m. un-
til 10:30 a. m. unless that particu-
lar second Monday happens to
be a county holiday.

All children of pre-school age,
whether babies or small children,
are given regular without appoint-
ment. However, those wishing
physical examinations of their
children should phone the school
nurse, Miss Mabel Holmerud, at
H6-1487 for an appointment.

Mrs. Roy Milner is chairman
of this conference for the Lemon
Grove School P.T.A. More infor-
mation may be obtained by
phoning her at H9-1498.

Civil Defense Notes

By Charles Gurley

When asked if all our work-
ers had taken the Red Cross
course in First Aid, Dr. Frank E.
Gigliotti, one Warden for the
Lemon Grove area for Civil De-
fense, replied that a good many
had taken such courses but he
hoped that all the others might
take them.

"These Red Cross courses are
being constantly improved," he
said, "and things which were
taught as recently as during
World War II are frequently out-
dated, and supplanted by more
recent developments."

"The regular first aid course
requires 22 hours, with an addi-
tional 4 hours as supplement-
ary for civilian defense instruc-
tion. We suggest that any of our
workers who haven't had such
a course recently that they ar-
range to do so. They will find
the material highly interesting
and possibly vital."

"Block wardens should compile
a list of any who desire to take
such courses and turn in the
names to their District Wardens.
Whenever there is a group of at
least 20, arrangements will be
made with the Red Cross to fur-
nish the instructor."

Brownie Troop Gets Flag

A flag for a new troop was part of the presentation to Monterey Heights newest Brownie Troop, Sharon Summerville. Troop 863, left, presents her troop's flag to Brownie Marilyn Weimer, new Brownie Troop 450 at an investiture and presentation Tuesday, Nov. 10th at Monterey Heights School.

All the children of 450 were sworn in on that day and the new troop officially was launched.

In the background, are left to right: Mrs. John Craig, leader of Troop 863, Mrs. W. Tucker, leader of Troop 450 and Mrs. R. Davy, neighborhood club chairman.

Girl Scout Troop 334 led by Mrs. Jack Norr presented the colors and inspiration was given by Mr. Poluzzi's class.

In observance of American Education Week, open house was held before the meeting and more than 600 parents visited the home and things expected of classrooms.

Box Supper To Spark 'Dimes' March

The Lemon Grove Kiwanis, Annies will hold a box supper with their husbands as guests Saturday.

The affair will be held at the home of Dr. and Mrs. Simon Brumbaugh, 7337 Central Ave. at 7 p. m.

The supper will be in form of an auction sale. The proceeds will go to the March of Dimes which gets started in Lemon Grove in January.

All wives of local Kiwanians are eligible to attend, and they should also bring a box dinner. It will give some local Kiwanians who brag on their wives culinary skill a chance to let them prove up to it, some observers say.

A similar event was used to get the March of Dimes off to a flying start in Lemon Grove last year.

'Sports Round-Up'

Bob Turnbull

It was close but I guess it was in the books for Helix to lose the Saint game by a 12-6 decision. The St. Augustine Saints, that boast a 200-pound beefy defensive line, tallied in the 1st quarter thanks to Bob Riley and again in the fourth period with Dick Roesser running off right guard to score from the one. Helix's lone tally came in the beginning of the third quarter with ever-improving fullback Ronnie Fix Jr., climaxing a 53-yard push with a line buck from the one. St. Augustine scoring: TD—Riley, Roesser. Helix scoring: TD—Fix.

Final results of the Metro League Football Standings: Chula Vista (7-0), Sweetwater (6-1), Oceanside (5-2), San Diego (3-4), Mar Vista (3-4), Vista (2-4-1), Escondido (1-5-1), and Coronado (0-7).

City League Football Standings: San Diego (5-0), Kearny (4-1), Hoover (3-2), Pt. Loma (3-3), La Jolla (2-3), Helix (1-4) and the hapless foothillers of Grossmont (0-5).

Top three scoring leaders: Hernandez, Hoover, 28; Jordan, Helix, 26; and J. Adams, Hoover, 25.

Helix JV's... 6 0 0 0—6; Lincoln Varsity... 0 0 0 6—6. Helix scoring: TD—Smith. Lincoln Scoring: TD—Seely.

Sports Flashes... Helix, 6; St. Augustine 12—Helix JV, 6; Lincoln Varsity, 6—Helix Frosh 0; Grossmont Frosh, 27—Lincoln Cross-country, 16; Helix X-Country, 45.

Kids Aid In Golden PTA Program

"There is more to a school than reading, 'riting, and 'rithmetick," said Wiley Cornelius, when he presented "extra-curricular activities," to the Golden Ave. P. T. A. members at the monthly meeting held Thursday in the kindergarten room. Cornelius is teacher at Golden Ave. School.

Parents enjoyed learning of the activities the children have, that they seldom hear about. Boys and girls participating in the program and the activities they represent are: student council, Karen Kooton; sabbies, Frank Leone; patrol, Robert Elliott; Glee Club; Dixie Gagnon; band, Judith Koopmans; office help, Carrie Lou Wilcox; Citizenship Club, Diana Rank; kitchen helpers, Roberta Siegleman; milk boys, Albert Fredman; flag raisers, Robert Denlinger; and the school paper, Susan Carr.

Dr. S. C. Brumbaugh, Jr., presented trophies and certificates to the boys and girls who were winners in the recent "Kids

THIS IS GOOD!

"Electricity for cooking is so wonderful -- so clean. I've had my present electric range for 10 years."

THIS IS BETTER!

"You should do what I did -- trade in that old electric range on a new one. You'll marvel at all the new automatic features... plus the new look it gives your kitchen."

HAVE YOU SEEN THE NEW ELECTRIC RANGES?

If you already cook with electricity, then you know how clean and cool and quick and handy electric cooking can be.

But, have you seen the wonderful new models in electric ranges?

Scientists To Max Week Of Prayer With Program
The Seventh-day Adventist church will climax its observance of its annual "Week of Prayer" with an offering of

Sacrifice" at Sabbath worship exercises Saturday morning. Pastor W. L. Hyatt announced today. Members have been following a program of frugal living during this special week of prayer services, and many will follow the tradition of contributing an entire week's income to the advancement of Christian work around the world.

The observance this week in all parts of the world by nearly a million members of the Seventh-day Adventist Church is

"Highland Lads And Lassies"

Bob Turnbull
Sweet Young Helix Freshman to Sour Old Senior Boyfriend; featuring special messages each evening about the power of prayer. Pastor Hyatt stated that the purpose of this "Week of Prayer" is to help people realize the vast resources of power available through prayer.

"If people ask what I see in you, Clarence, what shall I tell them?"

Mind Matters. (Q) Can a Girl Really Fall in Love at 17? (A) Yes, it is possible, but not likely. When teenagers first begin to awaken they tend to fall in love with the entire opposite sex, and sometimes put all their affections upon the first unsuspecting candidate. A girl of 17 may want to marry in the strong belief that she is experiencing a truly "grown-up" love affair, but it is much more probable that she is anxious and disturbed and seeking an escape from some troubling situation at home. It might be right, I might be wrong, it's for you to think about it!

Heatherettes, a social-service at Helix, took in two new members lately. Those selected and

who will be soon be wearing the light blue sweaters with plaid emblems which represent their club are: Marlene Dawson, Diane Gundry, Dee Dusa, Marlene Mills, Frankie Harris, Dee Stroble, Shirlee Quist, Pat Weber, Margie Tripp, Margie Schief, Jackie Coyle, Virginia Colter, Carol Linville, Georgina Wilkenson, Linda Wallace, Donna Parker, Hope Shepherd, and like that. Good luck to these gals that are a real part of Helix High School.

Helix song. "Green 'n Gray. Oh! we're the lads and lassies proud of the green and gray, known as the Highlanders, we're going to score today. RAH RAH RAH. We're with you team so tight on, we're cheering with all our might, until the game is won let's FIGHT FIGHT FIGHT!"

Group Leadership Series Continue

A fourth in a series of Group Leadership, sponsored by the Mt. Helix Council, P.T.A., will be held Monday, November 23, 7:30, at the Community Church, 4597 29th Street, off El Cajon Blvd. Members of elementary schools throughout the Lemon Grove and La Mesa-Spring Valley School Districts are invited by Mrs. Helen Porter, parent education chairman for the council. Leader is Bob Cohn, of the department of social services, San Diego City.

A course designed to demonstrate ways in which group leadership can be made most effective, it has to date given information on role playing and proper film presentation. Leaders in other groups, such as Scouts, are invited to attend, as well as both Mt. Helix and Foothills Secondary Council members. If sufficient interest is shown by those attending, further meetings of the group will be scheduled.

Men Prefer Blondes And Roses, It Seems

No matter what your horoscope says, if you're a man your favorite flower probably is a rose. According to the San Diego Rose Society, nearly 50 percent of its members are men, and reports from the American Rose Society indicate that of all the flowers grown by men as a hobby, the rose has the most appeal and appears to be the most popular.

To further back up this claim, J. J. Kenecally, chairman of the San Diego Rose Society's 26th annual fall show which will be staged in Balboa Park Nov. 21 and 22, said that in last year's exhibition nearly 45 percent of the displays were grown and exhibited by men.

Pentecostal Church Changes Service Hours

A change in time of Sunday services at the Lemon Grove United Pentecostal Church at 7597 Imperial has been made effective.

Sunday services previously held during the afternoon will be held now at 9:30 and 11:00. The Sunday School class will be at the earliest service with the Worship Service following. Rev. Wm. P. Cass invites all in the community to attend these services.

made jams and jellies and patch work quilts. At least, if it ever comes to a choice of using that fifteen million claims for Fair or Schools it won't take us long to make up our minds.

(Editor's Note:) Next issue of FORTNIGHT Magazine will carry a copyrighted article charging that horse-racing, California's "Sacred Cow", is the unseen ruler of the state and that race track owners, working with the letter of the loosely worded horse-racing law, have managed to mulct the state of "millions of dollars which rightfully belong to it."

The magazine also charges that racing holds "extraordinary influence" over politicians, newspapers, churches and schools and that charity monies have been widely used to buy this influence as well as "outright pay-offs" to the California press.

Racing tentacles, according to FORTNIGHT, extend also to the Legislature, to the Attorney General's office and even to the Governor.

The recent California Horse-Racing Board announcement that there could be no readjustment of the pari-mutuel payoff of Frosty Dawn's illegal win at Del Mar and the magazine charges this was the case of not only the legal 13 cents being removed from the better dollar but 100 cents by "fraud, conspiracy, collusion and corruption."

The article also tells: the inside story of the sensational Boy Meadows investigation in which Judge Draper found that track promoter guilty of misappropriation of more than \$300,000 in charity funds to invest in a defunct out of state racing promotion; why Dr. Charles Strub, the "boss" of California racing is paid bonuses which sometimes top \$500.00 a year; how a State Assemblyman was thrown to the wolves when he tried to "reform" the racing law; and what happened on the case of a civil service racing secretary who was fired for too-outspoken criticism of the horse racing board.

The magazine points out that more than \$3,000,000,000 have been bet on six race tracks since racing was legalized in California in 1933. The real trouble lies, according to the magazine, in a law which allows the \$64 million dollar horse-racing business to go unchecked.

—ML—
The St. John of the Cross School people were in a tizzy last week when the ropes which supported their American Flag broke near the top of their 60 ft. flagpole. The L. G. F. D. offered their aid and one of the fire ladders went up the 24 ft. ladder and started to shimmy up the rest of the way. As he neared the top, the Church Chimes broke out in "Nearer My God To Thee". All hands waited with oiled breath until the halyards were spliced and a safe descent was accomplished.

Welk To Play For Coast Guard Wives

The Coast Guard Officer's Wives Club will sponsor a dance featuring Lawrence Welk and his Champagne Music at the Mission Beach Ballroom on Monday, Nov. 23.

Mrs. Warren E. Rast and Mrs. Glenn R. Taylor of Lemon Grove, active members of the club, are working on this entertainment and extend invitations to all to join them for an evening of dancing.

Tickets are \$1.50 each and the public is invited.

Fire Auxiliary To Decorate Meeting Room

The Women's Auxiliary of the Lemon Grove Fire Department held their regular monthly meeting Nov. 10.

Plans for decorating the meeting room were discussed and services of the members and the firemen were assured for the needed work.

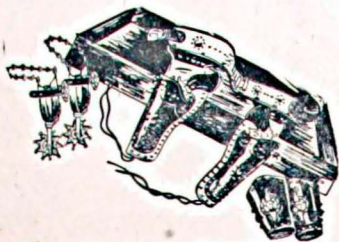

Mr. Calderone noted the coming school summer recreation program.

Next meeting will be a Christmas party to be held at the home of the president, Mrs. Margarita Hensley.
